Marketing  
Director

## **DAY TO DAY - JOB TO JOB - YOU CAN RELY ON WESTAR**

**Jetcol  
Thermal  
Adhesive  
Paper**

# ***Ghosting Problems?***

**WESTAR has the solution!**

**Jetcol Thermal Adhesive (JTA) paper has a unique top coating allowing the paper to adhere to the fabric during the transfer process. Ghosting is eliminated as the heat platen pressure is released and it lifts from the transfer. The paper easily releases from the fabric, leaving no trace of adhesive.**

**Request a sample roll of  
Thermal Adhesive paper  
TODAY!**
